

**School of Health Sciences
BSc (Hons) Occupational Therapy
MSc Occupational Therapy (pre-registration)**

Practice Education Supervision Record

To be completed on a weekly basis by the student

What has gone well?

What has not gone well?

**What does the student see as
his/her learning need?**

What has the student learned from these experiences. What will be done differently?

What does the practice look like? How do you feel the student could have learned? What could be done differently? What would the student be able to do?
